## About Me

Hi, I am Monica Wellington, worked as a chef in different restaurants for the last 7 years. Now, I am working as a Founder and Senior Chef in Food Network. I always try to make delicious food for the customer and increase their appetite. I always make sure the quality of the food. So that it remains fresh and nutritious when you eat it.

## My Recipies

I make different dishes for our customers. With their valuable feedback, we change the taste of our food. So, Don't go anywhere! Taste our food and be healthy.

### Rainbow Sandwich

Rainbow Sandwich is one of the popular dishes in our restaurant. Customers enjoy this food and they like the ingredients. We use Chicken, Fresh Bread, and other kinds of stuff.

### Vegetarian Burger

The burger is one of the most popular fast food in the whole world. But we make a change the burger from the traditional burger. This burger is totally make with vegetables and fresh bread.

### Raspberry Stuffed French Toast

Raspberry Stuffed French Toast is one of my personal favorites. It is a desert which you take after lunch, dinner and any time! With Strawberry increases the taste a few times.

## Clients Feedback

Our Client and Customers always give us their valuable feedback. it always energize us to make different dishes.

"When I come to the Food Network, always enjoy their food. They served Healthy and Fresh Food. Not only that it is delicious too. I always recommend it to my friends and relatives."

Maccy Johnson – CEO, Foodie

"Food Network is not only famous for their fast food but also their desserts. Whenever I pass to the area I always check their Raspberry Stuffed French Toast. It is so much Yummy!"

David Walter – Senior Chef, Cookies 101

## Frequently Asked Question

Customers sometimes need to know something more about our journey and our quality food. You will get that basic information from this section.

### ~ Is Food Network make different dishes each day?

We are trying to make different dishes as our customer response. We have some fixed recipes which we always provide to you as your order.

### ~ Can I order your products online?

Yes, You can order our food online. You can also order our food from our mobile app. It takes some charge to deliver the food.

### ~ Is your foods are containing with animal fats?

We always try to make sure to avoid extra fat in the food. because extra fat is not healthy for our body. We use as low as oil and other fat products, thus we can give a best healthy food, which I already mentioned so many times.

### ~ When you Open your shop?

We always Open our Store at 8 AM and close it to 10 PM. There is two Weekend, Saturday and Sunday. You have to order or come to the working day.
